#### **Museum Mondays June – mid August**

The Mount Airy Museum of Regional History is proud to announce ***Museum Mondays*** in June – mid August. Due to the increase in extended-stay weekend visitors to Mount Airy, the museum will be opened an additional day of the week. “The Mount Airy Visitor Center has noted more and more people coming to Mt. Airy and staying over until Monday or even Tuesday,” according to Matt Edwards, Executive Director of the Mount Airy Museum of Regional History. “We’d just like to provide these visitors with more opportunities to learn about the life and culture of our region or find out about our hometown heroes by visiting the museum and viewing the 35,000 square feet of permanent and regularly changing exhibits.”

For the summer months of June, July and August, the Mount Airy Museum of Regional History will be opened Monday through Saturday from 10am until 5pm. There is a nominal fee to tour the museum.
